NSW Southern Coast - superb beaches, great scenery and lovely coastal towns.

Snowy Mountains - huge alpine scenery in Australia? Most people don't realise that Australia has more ski runs than Switzerland! The Snowy Mountains Hydro-Electric Scheme is an amazing feat of engineering and so take some time to check out the visitors centres.

Victoria Highlands - continuing from the **Snowy Mountains** in NSW, Victoria has its own share of beautiful scenery and winding roads. **Grampians National Park** - after riding through the Victoria goldfields you'll find yourself in the lovely Grampians National Park. This area of granite highlands is jam packed with wildlife with superb lookouts and waterfalls. **The Great Ocean Road** - Famous as one of the most scenic coastal drives in the world, words can't describe the wonderful scenery on this 280km stretch of road leading to Melbourne. Every motorcyclist should ride this road at least once in their life! **Melbourne** - a bustling city with loads to see and do. **Mornington Peninsula** - great beaches on the bay side and incredible rugged coastal scenery on the other. **Gippsland** - wildlife, empty beaches and quaint towns. **Canberra** - the capital of Australia! **Blue Mountains** - end on a high with huge waterfalls, the second largest canyon on earth and lovely short walks.
